

IN THE ABSTRACT:

Kindly delete the existing Abstract and replace it with the following new Abstract of the Disclosure:

A1 --Recording apparatus and method for recording at least one of image data and voice data on a recording medium includes structure and/or steps for generating image data or voice data to be recorded. Structure and/or steps are provided for obtaining attribute information to be recorded relating to the image data or the voice data and which is generated in an external device in advance before generating the image data or the voice data. Recording structure and/or steps are provided for recording the obtained attribute information and relating it to the generated image data or the voice data.--

IN THE SPECIFICATION:

Kindly amend the specification as follows:

Page 1, line 7, before "such" insert -(-;

page 1, line 8, after "it" insert -)-; and

page 1, line 14, change "record it" to -be recorded-.
